

MHSPLA 2024 OXFORD REGIONAL

ENTRANCE/PARKING

Enter Oxford Middle School's **long** driveway from Lakeville Road. The driveway has a stoplight at Lakeville Road but may be "blinking" due to non-school hours.

Take the long driveway south to the stop sign. Turn **right** for the west parking lot – this parking lot is closest to the spectator and lifter entry doors. Additional parking is available in the east parking lot; however, you must use the designated entry doors for the event near the west parking lot. All other doors will be locked during the event.
